Shri Ulhas Kambli, now deceased,

Shri Dev Damodar Apartments,
Near Ganesh Mandir,
New Vaddem, Vasco-Goa Complainant.

V/s

The Assistant Registrar,
Office of the Assistant Registrar of
Co-operative Societies,
South Zone,
Margao-Goa Respondent.

INQUIRY REPORT

(22nd September, 2022)

The original Complainant, Shri Ulhas Kambli had filed his complaint dated 11-11-2019.

2. On perusing the complaint, the Commission by Order dated 28-04-2020, called for the report from the Respondent.

3. The Respondent filed their reply on 17-03-2022. On behalf of the Complainant, the Rejoinder was filed on 17-05-2022.

4. During the course of the proceedings, the Complainant had expired and on the application of the wife of the Complainant, she was substituted.

5. At the stage of hearing, the Commission heard Smt. Shaya Ulhas Kambli. The Respondent remained absent.

6. The Commission has perused the Complaint, the reply of the Respondent, the Rejoinder of the Complainant along with the documents of the Parties.

7. The Commission finds that the complaint was filed in respect of the leakage in Flat No. 10 in the Swaraj Co-operative Housing Society at New Vaddem, Vasco. The complaint dated 11-11-2019, was addressed to the Respondent and a copy was endorsed amongst others to this Commission. The grievance raised in the complaint is in respect of the leakage into the Flat No. 10 and the lack of action by the Swaraj Co-operative Housing Society.

8. The reply of the Respondent indicates that they had received complaints dated 16-07-2018 and 20-08-2018 and the Respondent had issued directions to the Chairman of the Society to take necessary action in accordance with the Bye-laws of the Society. After the present complaint dated 11-11-2019, was received by the Respondent that the Managing Committee has not taken any action to resolve the seepage problem, the Respondent issued letter dated 12-12-2019. The Respondent directed the Managing Committee of the society to take action in the matter by following the provisions of Bye-law No. 153 of the Co-operative Housing Society Limited. The Respondent also stated that by letter dated 03-03-2022, the Respondent had directed the Managing Committee of the Society to submit the present status of the matter and the Chairman of the Society vide letter dated 09-03-2022 submitted that remedial measures like covering the terrace with plastic sheets and water proofing has been undertaken by Mr. Jayalal of Flat No. 14. The Respondent had stated that action in case of any internal/external repairs to the property/ building of the society comes within the purview of duties of the Managing Committee of the Society as specified in Bye-laws No. 149 to 153 of the Co-operative Housing Society and the Respondent had issued time to time directions to the Managing Committee of the Society.

9. However, in the Rejoinder, it has been stated by Smt. Shaya Ulhas Kambli that though the Chairman of the Society informed the Respondent that the covering of the terrace with plastic sheets has been undertaken by Mr. Jayalal and he had also fitted the tiles, the leakage is still in progress and the issue has not been resolved.

10. From the copies of the Bye-laws submitted by the Respondent, it is seen that under Bye-law No. 149, it is the responsibility of the Board to maintain the property of the society in good condition at all times. Under Bye-law No. 152, the Board shall proceed to carry out the repairs and maintenance of the property of the society and under Bye-law No. 153, all external repairs including all internal roads, compound walls, all leakages of water, etc. shall be carried out by the society at its cost.

11. The Commission finds that the grievance of the Complainant has been raised with the Respondent right from the year 2018 in respect of the leakage issue from Flat No. 14. Though the Respondent has stated that they have issued directions to the Managing Committee of the Society, the fact remains that the issue of the leakage has not been adequately attended to by the Managing Committee of the Society, whose responsibility it is under Bye-law No. 149, to maintain the property of the Society in good condition at all times.

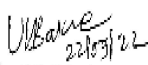

12. Accordingly, the Commission recommends that the Respondent acts on the complaint dated 11-11-2019, by ensuring that the Managing Committee of the Swaraj Co-operative Housing Society Ltd., abides by the Bye-laws No. 149 to 153 applicable to the said Co-operative Housing Society Ltd., so as to prevent any further leakage in the flat No. 10, by carrying out the necessary repairs for maintenance of the Society's property, within 60 days from today.

13. Under Section 18(e) of the Protection of Human Rights Act, 1993, the Commission shall send a copy of the Inquiry Report together with its recommendations to the concerned Government or authority and they shall, within a period of one month or such further time as the Commission may allow, forward its comments on the report, including the action taken or proposed to be taken, to the Commission.

14. Copy of the Inquiry Report be sent to the Respondent, calling for their comments, including the action taken or proposed to be taken within a period of 60 days or on or before 22-11-2022, in terms of Section 18(e) of the Protection of Human Rights Act, 1993.

No. 20-230-2004/ARSZ/HSG/3715 dated 16-01-2024.

To,

The Under Secretary,
Goa Human Rights Commission,
Panaji-Goa.

Sub.: Regarding Inquiry Report dated 22-09-2022 passed by the Hon'ble Goa Human Rights Commission in Proceeding No. 44/2020.

Ref.: Complaint dated 11-11-2019, received from Shri Ulhas Kambli, R/o. Flat No. 10, Swaraj Co-op. Housing Society Ltd., Shr. Damodar Apartments, Near Ganesh Mandir, New Vaddem, Vasco-Goa, addressed to the Hon'ble Goa Human Rights Commission, Panaji-Goa.

PART-I

Sir,

With reference to Proceeding No. 44/2020/368 dated 10-11-2023 issued by your office, I am to submit reply as below:-

1) Taking Cognizance of above mentioned letter, this office has deputed two officials of this office to conduct site inspection of the Swaraj Co-operative Housing Society Ltd., Vasco-da-Gama, Goa. (Refer Annexure I).

2) The concerned officials have undertaken the site inspection of the society and submitted the report in the matter (Enclosed as Annexure II). In the said report, it has been reported that:

a) Inspection officials had visited the society on 6-12-2023 and inspected terrace of flat No. 14

owned by Mr. Jayalal (which is above flat No. 10 of the complainant Mr. Ulhas Kambli). The inspecting officials have mentioned that Mr. Jayalal has carried out repairs to the terrace which is in his possession (Tiling & Waterproofing done with fibber coating etc.) in order to resolve the matter of leakage. It is mentioned in the report, that 50% of the terrace is covered with metallic roofing and 50% part is covered with transparent polythene sheets.

b) The inspecting officials have also visited flat No. 10 of complainant Mr. Ulhas Kambli. During the visit Smt. Chayya Kambli wife of Mr. Ulhas Kambli expressed that she is not satisfied with the work done by Mr. Jayalal stating further that, the leakage still persist during the rain.

c) The Inspecting Officials have further stated that as per the statement given by the Chairman & Secretary of the society, the said building is 27 years old and management has not carried out any maintenance/repair work due to non payment of monthly contribution by the members.

Moreover, it has been mentioned in the inspection/inquiry report that management has mentioned that leakage in flat No. 10, even after taking above measures (taken by Mr. Jayalal), indicates that leakage is not from Mr. Jayalal's terrace and said leakage might be occurring from external walls of the said building which required repairs/maintenance work (Refer Annexure III).

It is concluded in the inspection report that, it is prima facie seen that Mr. Jayalal, owner of flat No. 14 (located above the complainants flat No. 10) has taken some action to resolve leakage issue. However, complainant's wife is not satisfied with the work. Since she is complaining that, the said leakage still persist during rains.

It has been further concluded in the inspection report that the inspecting officials could not confirm whether the leakage is still persisting or not.

The bye-laws No. 153(a) of the society specifies about the repairs/maintenance of the property of the society that shall be carried out by the society at its cost (copy enclosed).

As per the bye-laws No. 149, it shall be the responsibility of the board to maintain the property of the society in good condition at all time (copy enclosed).

Taking cognizance of the facts reported by the inspecting officials in their report and claims made by the managing committee that the leakage might

be from external walls of the building of the society, vide letter dated 16-01-2024, this office has once again issued directions to the managing committee of the society to take concrete action under the bye laws Nos. 150, 151 and 152 of the society towards necessary repairs and maintenance to the walls of the building of the society to prevent leakages in the flat No. 10 owned by the complainant and leakages in any others flats if any (Refer Annexure IV).
